EL HASSANE ILLA *IT Support & Infrastructure Specialist*

elhassaneilla@gmail.com | EL HASSANE ILLA | 0708402942 | Ouarzazate, Morocco

Category 'B' driving licence | Age: 25 | Portfolio

SUMMARY

Forged through high-stakes industrial environments and relentless self-directed mastery, I engineer resilient digital systems that defy the standard baseline. Operating with an owner's mindset rather than an employee's routine, I approach infrastructure as a canvas for structural execution and raw technical control bridging deep systems architecture with agile software logic. I don't look for jobs; I deploy measurable value, autonomous problem-solving, and ruthless reliability to enterprise operations.

PROFESSIONAL EXPERIENCE

technicien IT — **09/2024 – 09/2025 | Had Soualem**
SAHEL S.A
Comprehensive management of IT issues using the GLPI ticketing system, alongside high-end infrastructure management, in addition to system administration (Active Directory) and technical support.
